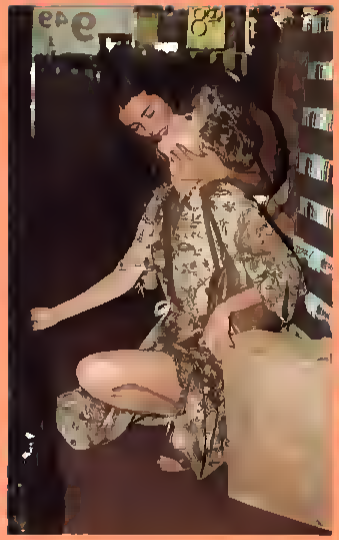
NOT FOR SALE TO MINORS



Just some light chicken and a salad the tall babe smiled.

Juanita pulled down a large bottle of Rhine wine explaining that the white vino was just the thing for a light meal. They got to talking, and the blonde introduced herself as Audrey, telling her new friend that she worked as a fashion model. Juanita could believe it for she had never set eyes on a lovelier girl. She had a wild urge to strip the tall beauty right there in the convenience store just so she could see her jiggling breasts and the blonde-haired snatch between her thighs.

Instead they headed over to the snacks section where the Mexican gal offered some more help. Soon they were in the check-out line. Audrey toting her wine and some items that Juanita had recommended, bar-b-cue potato chips and a south-of the border delicacy, chicharrones. As for Juanita, she had picked up a couple of items of her own: a bottle of her favorite rum and some vodka. The girls had already agreed to meet at Audrey's apartment and the amorous Mexican girl knew just the drink to lower the blonde's defenses.

stooped to pick up the bar b-cue chips her thighs had parted to reveal the crotch of her snow-white panties and Juanita s blood began to boil. She had made a move...lowering the blonde's undies and copping a feel of her pussy but Audrey had just giggled and pulled them quickly back up... Juanita wasn't sure just where this beautiful model s head was at.

When they arrived at the apartment it didn't take long for her to find out. Audrey laid out the goodies on a coffee

table as the brunette came in from the kitchen with two tall drinks. It wasn t wine the blonde sipped as they sat back on the couch. It was Juanita s special south-of-the-border bombshell, a rum-and coke with a dash of Russian vodka.

"We call it the Castro Cocktail" Juanita giggled as she took a slug of hers. "Cuban rum with something from Russia thrown in."

Audrey laughed as the warming fluid made her head spin and she examined the pair of bottles her new friend had brought back from the kitchen. It was quite a cocktail, she had to admit to herself, as she downed the last of hers. Juanita had downed her [illegible]

closer to the blonde on the couch. They turned to face each other and their lips met. This time the tall model did not pull away and soon Juanita's tongue was exploring inside her mouth.

The Mexican girl was encouraged as she had already been by the sight of something on Audrey's coffee table. The blonde had left a white plastic vibrating dildo out, standing on its end. Though any woman might use one of those to stimulate her pussy in imitation of a cock, Juanita knew that gay chicks certainly favored the things.

Audrey was sitting with her legs well parted and as her pretty, flowered dress rode up the length of her long thighs — re-

to carefully roll her panties over the luscious round curves of her hips.

That bared Audrey's pussy a soft cleft mound covered by silky blonde curls of pubic hair. Juanita pressed her face between the girl's thighs till her lips made contact with the slit in Audrey's pussy mound. The blonde parted her legs still further so that the dark-haired beauty could spread the lips of her cunt. The tall girl's quim opened like the blossoming of a gorgeous wild flower, and as Juanita brought her mouth still closer she got a whiff of the other girl's growing desire. Audrey's pussy was oozing hot juice, begging to be licked and kissed and sucked

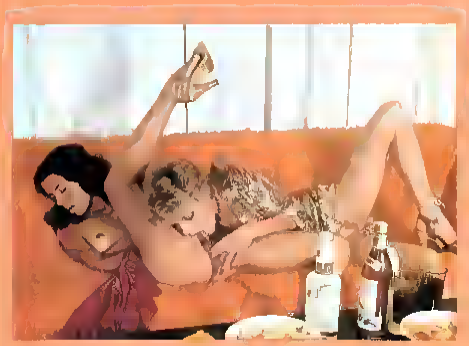
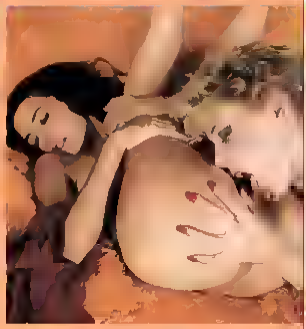
As Juanita thrust her tongue into Audrey's twat she reached for the white plastic dildo which stood on the low coffee table. Then, while she bathed Audrey's cunt lips with her tongue she brought up the artificial cock. Thumbing it on, she touched the vibrating tip to the tiny bud of the blonde's clitoris, tucked between flaps of glistening pink cunt flesh at the meeting point of her pussy lips.

The tall beauty collapsed back on the orange couch, sighing with passion, then moaning loudly with the approach





ol orgasm. The Mexican gal sure knew how to turn her on! She went on stimulating the clit with the dildo and lapping up the juices that flowed from the cunt hole as Audrey squirmed her ass on the couch, now thrilling to a wild climax.

When the blonde finally relaxed, the brunette set down the dildo and raised the other girl's dress almost up to her armpits. At last her eyes feasted on Audrey's perfect breasts. They were large for her slender figure, full and round and smoothly white. Juanita [illegible] but firm, the perky nipples pink and stiffened with lust and pleasure. The Mexican girl tossed her head, swishing her long black hair, as she

She fiddled with her own hot quim, as the other girl slipped a sweet cake between her parted lips.

The tall model opened the front of the brunette's silky red dress, then took one taut nipple between her soft lips

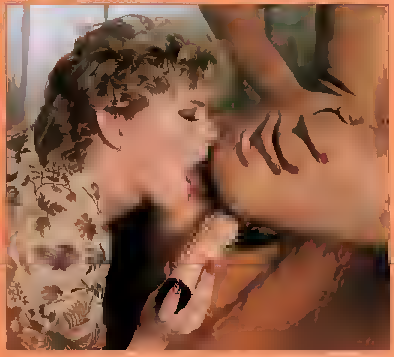
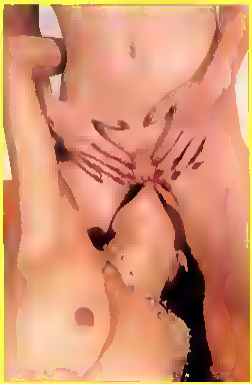
reached for one of the small square cakes that the blonde had stacked on a plate. Then she fed it to the beautiful model slipping it between her full lips, thrilling to the sight of her lovely mouth parted and taking in the sweet cake. As Audrey chewed on the delicacy her hand wandered unconsciously down to the slit of her cunt where her long fingers penetrated the hot hole. She began to masturbate as the delicious cake slid down her throat and the Mexican girl looked on in feverish desire.



She stood with her legs parted and the lips of her cunt spread wide, as the Mexican girl knelt between her feet and thrust her tongue up the wet slit...

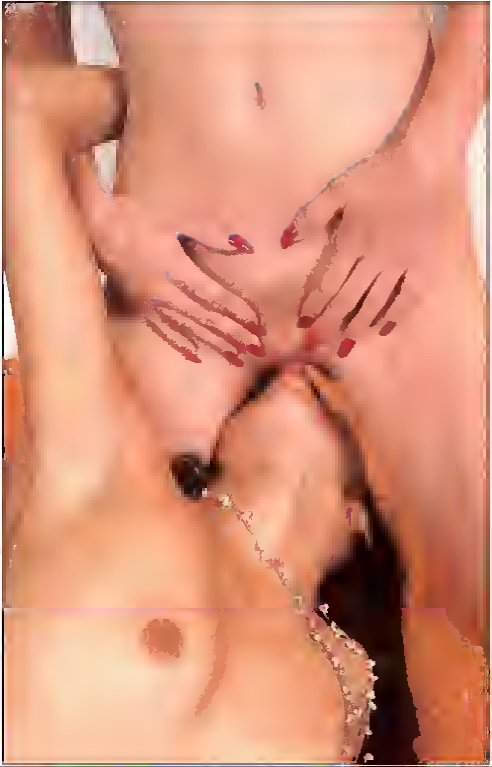
Juanita quickly bent over Audrey's lap once again, removing the girl's hand from her pussy and replacing it with her mouth. The tongue licked up and down the petal-like inner pussy lips, then plunged deeply into the hole. She thrust in and out like a dick in a cunt, till Audrey was crying out with the pleasure of another orgasm.

Then the girls rose, and this time it was the tall blonde who took the initiative. She parted the front of Juanita's beautiful dress, feeling the silkiness of the material. The dark-skinned girl's fine young



breasts bobbed free, the nipples taut with excitement. Audrey felt them [illegible] warm in her hand. Then she bent and put one of the stiff little nipples between her lips, and the tip of her tongue slithered out to wet the tiny appendage.

Juanita slipped the silky red dress off her smoothly rounded shoulders and lowered it from her finely shaped body.



Audrey her dress pushed up above her waist to reveal her cute little cunt sat on the couch to help the other girl off with her dress. She was excited by the smooth flat expanse of Juanita s stomach and she pressed her mouth to it licking the fine flesh

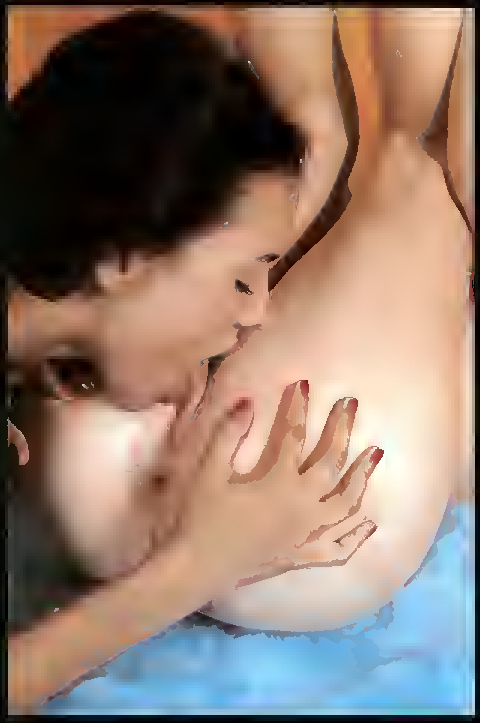
Juanita was naked now as she sat back on the couch and parted her thighs. Audrey her dress still pushed up around her middle began to lower her face to the girl's inviting crotch. Her mouth was parted as

she approached the parted pussy slit of the hot blooded Mexican beauty. Then her tongue snaked out between her lips. When her face finally pressed against the hair-covered mound of Juanita's cunt the tongue-tip made contact with the inner lips of the girl's hot pussy.

As Juanita sat back sighing with growing enjoyment the tall blonde model increased the flicking movements of her tongue on the quivering cunt lips. She lapped up the fluids that oozed from the open twat then located the button of Juanita's clitoris with the tip of her tongue and proceeded to massage it around and around.

"O-h-h-h," the girl groaned. "That is so good. Oh keep on doing that. O-h-h-h, that is so wonderful. Oh, I think I'm going to come. Oh. Oh. Oh. I'm coming now. Oh, I'm coming now. Oh. Oh. Oh. O-h-h-h. I'm coming! I'm coming! I'm c-o-o-o o-ming!!!"

The naked Juanita squirmed and twisted on the couch, till Audrey broke off her ministrations and went to a cabinet to get some more sex toys. She returned with a thick pink dildo the likes of which the Mexican babe had never seen. It had tiny fingers of soft rubber all over it, and when she set eyes on the thing Juanita immediately begged Audrey to



use it on her pussy.

high in the air. Audrey was quickly in behind her working the thick dildo up her wet cunt. Juanita cried out in passion as the huge piece of soft rubber filled her snatch. Meanwhile, Audrey began to lick her puckered asshole. In time, the Mexican gal twisted about into a sitting position, as she took the handle of the dildo away from Audrey and began to wildly frig it in and out of her own tingling cunt.

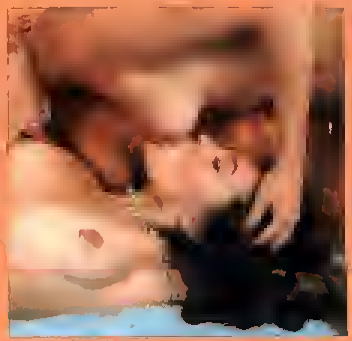
The blonde was kissing and licking her new friend's tits 'till she squeezed in between Juanita's quivering thighs to take the dildo back and keep on thrusting it in and out of Juanita's happily spasming cunt. As she did so, she bent over once more and

licked the other girl's twat

She pulled the dildo out and tossed it away then rose and removed her dress. Both girls were naked now as Juanita dropped to her back on the couch, drew up her legs and begged for another cunt-tapping. Audrey was glad to oblige. When she returned to the couch she knelt on the carpet and pressed her lips into the other girl's pussy. When Juanita had climaxed, Audrey stood and spread her legs wide apart. The Mexican girl needed no invitation, as she slid to the carpet between the tall blonde's [redacted] her snatch. Audrey held the lips open for her, and Juanita's tongue was soon all the way up the hot, wet hole.

The two of them tumbled to the floor where they rollicked on the blue shag carpet. Juanita was on her back again, as Audrey dropped over her, tying end to-end. She pressed her mouth to the wet slit of the wriggling Mexican doll's hot cunt as Juanita thrust her tongue right back up into the blonde's tight snatch. They sixty-nined away on the soft carpet, gently rolling back and forth till both girls had come off again and again.

They weren't through though. They were in a wild frenzy and wanted more. As Audrey rolled over onto her back on the floor, pulling her legs up and baring her cunt, the other girl lay down beside her on one side, reaching for the last of the sex toys Audrey had gotten out of the cabinet. Then, returning to the blonde, she began to use it in her pussy. It was a large dildo with a thin business end that fit perfectly in the girl's tight hole, and as Juanita rubbed it gently in and out she licked the writhing girl's tingling clit.



What a job she did on the Mexican chick! As Juanita bent over the arm of the couch, the

blonde rammed the thick dildo in and out of her pussy while she licked her puckered asshole.
